Case No. 2:13-cr-00257-APG-PAL-4  
**Sixth Stipulation to Continue  
Revocation Hearing**

The parties jointly request that this Court vacate the December 1, 2020, revocation hearing and continue it for at least 60 days because:

1. Defense counsel will be under medical quarantine during the currently scheduled hearing date;
2. The continuance will allow the hearing to be reset after the holidays and will permit defense counsel to file a motion for early termination of supervised release, which could obviate the need for a hearing; and

1           3.       This continuance is appropriate because, due to Flores's compliance  
2 and absent additional violations, the government and Probation do not intend to  
3 seek revocation.<sup>1</sup> Further, Flores is not in custody and agrees to the continuance.
